## INVITATION

Dear Friends,

We are delighted to extend our warmest invitation to you for the upcoming 36<sup>th</sup> Annual Conference of All India Coordinating Committee RCOG, hosted by AICC RCOG North Zone, as an in-person event. This prestigious event is set to be held from 28<sup>th</sup> September to 1<sup>st</sup> October 2023, at Le Meridien, New Delhi. The theme of the conference is "Cherish Her. Learn. Imbibe. Practice."

The theme of our conference, encapsulates our collective commitment to providing the best care and support for women's health. We aim to create an inclusive platform where professionals from Obstetrics and Gynaecology can come together to learn, share knowledge, and foster excellence in their practice.

This is a unique opportunity for professionals, experts, researchers, and enthusiasts to come together, exchange ideas, and explore ground-breaking advancements in the field of obstetrics and gynaecology field. With an exciting line-up of renowned speakers, riveting debates, enlightening panel discussions and engaging workshops, this conference promises to be an intellectually stimulating experience.

With our special attention the eight carefully curated workshops, we will ensure that you have ample opportunity for one-to-one interaction with our learned faculty through breakout groups. These interactive sessions will be led by distinguished national and international faculty, ensuring a rich and diverse learning experience.

### Why Attend?

- **Learning from Renowned Experts:** The conference brings together a diverse panel of distinguished experts in Obstetrics and Gynaecology. Learn from their vast experience and expertise, gaining insights into the latest advancements and best practices in the field.
- **Imbibing Knowledge:** Through insightful lectures, interactive workshops, and case discussions, participants will have the opportunity to imbibe new skills and practical approaches to enhance their patient care.
- **Practice-Oriented Approach:** Our emphasis on practical learning ensures that the knowledge gained during the conference can be directly applied to real-life clinical scenarios, leading to improved patient outcomes.
- **Networking and Collaboration:** Connect with like-minded professionals, build new partnerships, and strengthen existing collaborations within the Obstetrics and Gynaecology community. The conference provides a conducive environment for networking and idea exchange.
