

## International Faculty

**Professor Khalid S Khan**  
MMEd, MRCOG, MSc, FCPS, MBBS

### Editor-in-Chief BJOG

Professor Khalid Khan is Professor of Women's Health and Clinical Epidemiology at Barts and the London School of Medicine, Queen Mary University of London. His expertise is in clinical obstetrics-gynaecology, patient-oriented health research and medical education. He has published over 250 peer reviewed journal articles and authored 20 books and chapters. His research contribution is in systematic reviews (meta-analyses), multicentre primary prospective evaluations of treatments and tests, health technology assessment and evaluation of educational methods. His educational research explores how best to teach and learn evidence-based medicine (EBM). One of his books on EBM has won BMA Medical Book competition Award in Basis of Medicine category. He was awarded the Spinoza Chair (Visiting Scholarship) at the University of Amsterdam, the Netherlands. He has previously been member of the Guideline and Audit Committee and Study Groups on Multiple pregnancy and Preterm Labour at RCOG. He has been a member of the National Institute for Health Research (NIHR) Health Technology Assessment Clinical Evaluation and Trials Board. He is also Editor of Evidence-based Medicine Journal. AT BJOG he has undertaken several roles including: Peer reviewer (1996 onwards), Editorial Board Member (1997 onwards), Management Board Member (2005-2008) and Editor (2009 onwards). He has been Editor-in-Chief since 2012.

Special interests: Obstetrics and gynaecology, systematic reviews (meta-analyses), randomised controlled trials, epidemiology, translational research, medical education, patient-oriented health research, evidence-based medicine.
