

## Invitation

*“Live as if you were to die tomorrow. Learn as if you were to live forever.” - Mahatma Gandhi*

Dear colleagues and friends

On behalf of the AICC Royal College of Obstetricians and Gynaecologists North zone India organising Committee in collaboration with the Association of Obstetrician and Gynaecologists of Delhi (AOGD), it gives us great pleasure to invite you to the AICC RCOG North Zone Annual Conference 2017 : BE UP TO DATE – RCOG ANNUAL PROFESSIONAL DEVELOPMENT CONFERENCE.

This prestigious academic event is being organized at Maulana Azad Medical College Auditorium Delhi on 16<sup>th</sup> and 17<sup>th</sup> December 2017. AICC RCOG North Zone India fellows and members are committed to make the scientific programme exciting, productive and a major learning event for trainees, clinicians, academicians and practitioners. This Annual event 2017 will feature renowned clinicians who will share, discuss and debate new developments and controversial topics that will impact our daily practice.

We feel specially privileged to have Professor Khalid S Khan, Professor of Women’s Health and Clinical Epidemiology, at Barts and the London School of Medicine and Dr Prabha Sinha Fetal Maternal Medicine & High Risk Obstetric Specialist to share their expertise. Professor Khalid S Khan will be conducting a Pre conference workshop on “How to write a paper and publish it” on 15<sup>th</sup> December 2017 and module on Clinical governance & research in the main conference on 16<sup>th</sup> December 2017. Professor Khalid S Khan leads Population Health and Translational Biomedical Research Themes. He has published over 200 peer reviewed journal articles making contribution in systematic reviews (meta-analyses), trials of treatments and tests, health technology assessments, and evaluation of educational methods. His book on Evidence-based Medicine won the BMA medical book competition. He is Editor-in-Chief of *BJOG: An International Journal of Obstetrics and Gynaecology*.

We have also planned three pre-conference workshops on 15<sup>th</sup> December 2017 and two post conference workshops on 18<sup>th</sup> and 19<sup>th</sup> December 2017 for focused practical learning on selected topics. Each workshop will be conducted by a team of distinguished expert faculty members who are committed to provide in-depth learning and answer all your queries. On behalf of the organizing committee, we are delighted to invite you to join us as it will be an excellent opportunity to provide an open space for discussion and exchange of ideas, as well as providing you with an opportunity to enrich your knowledge and clinical expertise.

We are sure you will find this conference extremely informative and valuable to upgrade your clinical knowledge and skills. Looking forward to your active participation.

Please do check our website [www.aicccognzindia.com/](http://www.aicccognzindia.com/) Face book page for regular updates on this conference as well as on other RCOG training courses. We look forward to welcoming you at this academic event. With kind regards.
